The Pike Question.

This town is full of pike talk and there are reasons to believe that a pike may be built from this town to some point on the Cumberland river. At the last meeting of the Commercial Club a committee was appointed to meet the Russell county people at Jamestown on last Monday and to ascertain what aid could be guaranteed to this proposed enterprise through that county. We have not yet received the report of the meeting but it is generally believed that the people of Russell county will do their part. Whether the road will be built to Creelsboro or to the mouth of Greasey creek is yet to be determined and this will probably be decided by the support given by the people of the above named places and those along the proposed routes. The distance to Creelsboro is several miles shorter but we have not heard of any effort on the part of Creelsboro to give aid or to make an effort to secure the building of the road, however we presume that it will be done. The prevailing opinion of the people here is to reach the river at that point which will cost the people of this county the least amount of money. A survey will be made in the near future and other necessary steps taken unless indifference over-rides good judgment. We suggest to the people along the proposed routes that they weigh the importance of this matter and that they decide what they will do toward the building of a pike. We want the road built and realize its importance to this, as well as Russell county, but whether it should be built from this town to Creelsboro or to the mouth of Greasey creek is a matter for the people of those places to determine. The News is open to reports from all interested parties.

Concerning the Re-Union.

POWELL, NEB., FEB. 13, 1901.

Editor News:

You will find enclosed \$1.00 to apply to my subscription to your paper. Some time ago I noticed in the News your suggestion of a reunion of former Adair county people to take place some time this coming summer or fall. I like the suggestion and trust that such a meeting may take place in the good old town of Columbia. It would be an enjoyable time as it would bring many back to meet the old friends of early life and would likely bring them from every State in the union. September would be a delightful month for such a meeting. I would like to hear from others through The News, concerning this proposed re-union of ex-Adair county people. I left Adair county September, 1875, and have not been back since.

A meeting, or a re-union, as you suggest would induce many to return to mix and mingle for a few days or weeks with the friends of long ago. Trusting to hear from others on this subject and hoping that such a meeting will be held, I am, Yours truly, J. H. GRISWOLD.

LIBERTY ACADEMY.

Paper—Viola Ferrell. Reading of the Query Box. Adjourned with reading of programme for next Friday night.

Some time ago we suggested a re-union of Adair county people to be held in this town this coming summer or fall and if the proper efforts were made such a meeting would result in much pleasure. Those who live in Texas would meet those who reside in Nebraska, the ones who have pitched their tents in the East would shake hands with them who took Greeley's advice and the big hearted Kentuckians who seek wealth in the North would chime in with the merriest of those whose homes are in the Sunny South, all on the old stamping ground, the place of their youth with their friends and relatives who still dwell in their Old Kentucky homes. It would be a meeting long to be remembered and the small cost to arrange for it would be but a trifle if the people of this section would determine to have it. Again, we would suggest that the people of Russell county should take part in this for the two counties bear a close relationship. In another column will be seen an expression of an Adair county reared gentleman regarding the proposed re-union. We trust that others will give us their opinions regarding this meeting. You shall have room in the news whether for or against. If this meeting should be held the sooner it is decided the better will be the result, for it will take some time to reach the many who have gone far from us.

The Baptist church in this town is pastorless and it is to be hoped that the committee appointed to secure a preacher will in the near future, find an able and good minister to take charge.

The entertainment at Page's Hall by the young men of Columbia, Thursday night, Feb. 21st, will consist of old time nigger minstrel, introducing some of the best and latest con songs, jokes, sketches etc. Reserved seats for sale at Kemp & Young's 35c.

This office is now in possession of a new stapling machine which arrived from Cincinnati a few days ago. It is about the size of a sewing machine and runs rapidly. We are happy to announce that we are no longer annoyed with a slow process in binding books.

Mr. Henry Fuiks is now the proprietor of the Hancock Livery Stable, having bought all the stock and vehicles last week. He has also purchased several horses and wagons upon the outside, among the number the team and drummers wagon owned by Mr. W. B. Patterson for \$200.

An exchange tells of a lady who was bothered over the expression of one of her boarders. Every time he came to the table he would exclaim: "Hebrews, 13:8." Finally she concluded to investigate and found these words: "Jesus Christ; the same yesterday and today, and forever." Evidently there was a change at the next meal.

Mr. J. H. Albright, who is here in the interest of the Macabees will open the Lodge Friday night, in the masonic hall for the reception of new members. He with others, will address the people of the town and community Saturday night in the court-house. Ladies are especially invited to be present.

The remains of James Dowdy, who resided at Greensburg, and who was well-known to a number of the young people of Columbia, arrived at his old home last Saturday night for final interment. Young Dowdy was a gallant soldier and was killed in the Philippine Islands, while in discharge of duty, several months ago.

Quite a number of pensioners in Columbia received checks last week which shows that the department has some incompetent men employed, or else their competency was rattled with red whiskey. Some four or five of the checks were defective and had to be sent back for correction. This is annoying and if the party in power can't find better men it should draw from the outs.

A Freak of Nature.

Mr. W. H. Wheat, who lives at Tarter, Adair county, is the owner of a fine white ewe which gave birth to twins last Sunday morning, one being a well-formed ewe lamb, the other a complete hybrid, the head, ears, tail, skin and hair precisely like that of a hound puppy; the legs and feet that of a lamb. Hundreds of persons have called to see the curiosity.

The Columbia Minstrels will give an entertainment in Page's Hall Thursday night. The very best local talent is identified with this entertainment and there is not a doubt but what it will be highly enjoyable and instructive. It concludes with the roaring Military Burlesque entitled: "The War Correspondents." You can't afford to miss this.

If you mean to be a candidate for office in Adair county, then announce it in the News. It will only cost you \$3.00 and the News will tell it to nearly all the voters in the county. The News stands out of the fight until the nominations have been made. It is open to all aspirants for office on the above terms and your announcement may run until your party selects its candidates.

Those who were entertained by Miss Pauline Cabell last Friday evening pronounce the gathering the most enjoyable affair of the winter. All who put in an appearance were out for fun, and there was no lack of opportunities for pleasant past-time. The music was delightful, the cherades splendid and the amusement makers had on their best garbs. So elated was the entire company the breaking up hour came entirely too soon.

The body of Joseph Moses, a peddler, whose home was in Bradfordsville, Ky. was found in Green river, Monday, near Roachville. All money and valuables were missing and the supposition is that he was robbed and murdered.

Another bank will soon be in operation at Monticello. The contract for putting up the building has been let. J. R. Oats, Sr., and brother, of Augusta, Ga., are the leaders in the enterprise. The promoters may know what they are doing, but at this distance we can not see how two banks will pay at Monticello. Mr. Lisle Baker, the cashier of the present institution, has certainly built up a business that can not easily be taken from him.

There will be preaching at the following places next Sunday:

T. F. Walton, this city.
Z. T. Williams, this city.
F. C. Shearer, Hutchinson school-house.
T. Huffaker, Neatsburg.

Obituary.

Mrs. Sarah Jane Briken, wife of J. M. Briken, of Russell county, a highly respected lady, died of pneumonia, January 3, 1901.

She had been a consistent member of the Baptist church for twenty-eight years. Her last days seemed to be the brightest, having said some days before she was taken sick that she was not tired of this life or her living children, but preferred to go to be with one, a daughter, who had gone two years before.

Her remains were interred at the family burial ground, W. D. Tarter officiating.

Mr. G. B. Breeding, who has been a general merchant at Breeding, Adair county, for a number of years, made an assignment to his son-in-law, Mr. Asa Baker, one day last week. His liabilities are said to be four thousand dollars, mostly due to Louisville merchants, and his assets about double that amount. The friends of Mr. Breeding think that he will pay out and have enough means to continue in business. Mr. Breeding has generally been successful in his undertakings, and it is reported that much of his indebtedness was created without his knowledge. He is an honorable man and his friends think that his creditors will not lose a cent by him.

Mrs. G. F. Jones dead.

Mrs. Bell Jones, of Jamestown, after a long siege of sickness passed away Tuesday morning at 4 o'clock. She had been an invalid for the last five years but her affliction was borne with the greatest patience and christian fortitude. Mrs. Jones was a daughter of H. G. and Eliza Atkins, and a sister of J. W. Atkins, Mrs. C. H. Murrell and Mrs. D. J. Schooling, of this town. Mrs. Mollie Carson, of Ind., Mr. Jo Atkins, of Lebanon and Mrs. Maggie Tucker who was present when death came. She was married to Mr. G. F. Jones many years ago and since that time her home was in the town in which she died. She had entered her 46th year of life, was a devoted member of the Methodist church, a good mother and devoted wife. This death was not unexpected for she had been lingering on the verge of the river for many months. She leaves a husband and four children to whom we extend our sympathies in their saddest hour. The burial takes place to day in Jamestown.

JAMESTOWN.

Court convened with a large crowd in town. The grand jury was impaneled and sent to their room. The afternoon was taken up by candidates for county offices, about 40 in number, who made speeches in the court house, or at least many of them made public addresses showing why their party should nominate them.

Owing to an auction sale in town business is not up to the average court day with the merchants. Mr. E. G. Atkins, a well-known traveling man, bought a couple of papers of safety pins from the peddler.

About twenty appearances on the docket sufficient to hold the court through the week. The suit to set up the will of Bryan Nelson will occupy more time than any other one case and will be tried this week.

At the Christian church this city, memorial services were held Sunday night in honor of the memory of Mrs. Frances E. Willard, the great temperance agitator. Quite a number of appropriate songs were rendered by the young people of the town and a very entertaining lecture was delivered by Eld. Tobias Huffaker bringing out the life work of Mrs. Willard. Eld. Z. T. Williams gave a talk and referred to the agitation now on in Kansas and predicted that it would spread and result in much good.

The proposed pike from Columbia to Cumberland river is receiving favorable comment in this section and several thousand dollars have already been subscribed for this purpose.

The first two cases of small pox near Fayette Hill are now well but three other cases in mind form have developed in one family, but the rigid quarantine will prevent further spread of the disease. The worst has been reached and in a short time no danger whatever will exist.

The following Columbians are attending the Jamestown court, Judge W. W. Jones, James F. Montgomery, Gordon Montgomery, James Garrett, Sr., Rollin Hart, F. B. Wipfey, W. Jeffries, W. D. Jones and J. B. Barker.

NELL.

The family reunion and celebration of Mr. W. L. Walker's 76th birthday on the 15th inst. was a very enjoyable occasion. The different members of the family began to arrive about 11 a. m., with baskets and boxes loaded with substantial and dainty eatables, a long table was soon spread very much resembling an old fashioned wedding table, and all enjoyed the bountiful repast. All the eight living children, a number of grand children and one great-grand child making four generations, were present, besides other relatives and friends.

GRESHAM.

The farmers are taking advantage of the pretty weather and are moving on nicely with their work. Some are most through turning the soil for their crops.

Owing to the recent freeze wheat is looking badly in this section.

Hogs are scarce, and a better price here now than has been for a number of years.

Mr. Chalmas Wilson, a few days ago, sold Mr. Hardie Craddock one mare, price, \$80.00.

Mr. Wilfis Moore returned home last week from a four weeks business trip to Louisville.

Miss Ethel and Master Owen Hagan, Greensburg, are the guests of Miss Jessie Buchanan this week.

Mrs. H. C. Moore spent last week with her mother, Mrs. Martha Paxton, Rollingburg.

Mr. and Mrs. Lewis Coffey, Greensburg, visited Mrs. Lizzie Moore Saturday night and Sunday.

James Loy and wife, visited the latter's parents, Mr. and Mrs. G. S. Hood, Rollingburg, from Sunday until Monday.

Mr. Robert Moore and family, of Canmer, Hart county, who visited relatives at this place two weeks returned home last Friday.

Misses Ethel and Emma Paxton and Tinnie Hood, of Rollingburg, visited the family of James Loy and Hugh Creed Moore, Monday night and Tuesday.

Lazippe, Whooping cough and Measles are in this and adjoining neighborhoods but all seem to be in a light form.

Mr. Jim Pendleton, of Knifley, who bought the Parks Buchanan mill is now here putting up the machinery at the old stand and will in a short time be ready for business which will add greatly to this place and adjoining counties.

Rev. T. F. Walton will fill his regular appointment at Ebenezer Sunday, The Monday night prayer meeting at Ebenezer seems to be increasing in interest and is going on nicely.

"I bobbed into Mr. Blackmon's drug store one evening, says Wesley Nelson, of Hamilton, Ga., and he asked me to try Chamberlain's Pain Balm for rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not hold you need not pay for it.' I took a bottle of it home and used it according to the directions and in one week I was cured, and have not since been troubled with rheumatism." Sold by Mr. Cravens.

Mr. J. Richardson had a running sore on his leg for twenty years. Tried doctors and medicines without end or any permanent good. Mr. L. B. Nunnally, druggist, Hartford, Iowa, recommended Morley's Sarsaparilla and Iron to cure the cause of the sore and make it heal from the inside. A few bottles cured his leg, and put him in better health than he has been in for 20 years. Ask your druggist.
